

AL WONG

NEW INSTALLATION WORKS

INSTALLATIONS: INVISIBLE STOREFRONT, a new piece dealing with the New College Gallery, PUDDLE, and MOON STAND. San Francisco filmmaker Al Wong creates sculptural light pieces which play with the illusion of filmed vs. real imagery, adapting to the specific locations in which they are presented. Remarkable for their delicacy and inventiveness, Wong's work has been exhibited throughout the country and Europe.

SATURDAY, FEB. 12 8 PM

**New College of California
762 Valencia St., S.F.**
